SOAR Condominium/Co-op Affairs Council Winter Forum

"What's It Worth to You? The Art & Science of Property Values"

Wednesday, February 21, 2007

John Hancock Condominium Association
175 East Delaware Place, 44th Floor

Registration: 5:30 p.m. Program begins at 6 p.m.
Speaker: Gail Lissner, Vice President
Appraisal Research Counselors

The value of your property is more than what you put into it. There are factors beyond your control, the control of your association, Board, or property manager. It's a complex and interesting process well understood by Gail Lissner. You've seen her name in the media for years. Now SOAR brings Chicago's acknowledged property values expert to our neighborhood. She'll focus on the broad picture and bring concepts home to Streeterville.

Please join us; invite your neighbors, too.

This program is free but RSVPs are required.

If you plan to attend, please notify SOAR by phone, 312-280-2596 or e-mail, SOARChicago@aol.com.
